with Studebaker service Drive in frequently and have your car spected, no matter what make it is. If adjust-ments or repairs seem necessary, you'll be given a check list of what needs to be done

MRS. PETERS, who signed the telegram above, was challenged by her ration board to prove she could get 26 miles per gallon with her Studebaker Champion. So a carefully supervised test of her Studebaker was made and submitted to the board. The test showed even better mileage-and the result was that Mrs. Peters' "B" ration was renewed. If you need a more economical car for your essential driving, buy a used Studebaker. But don't wait too long. They're getting scarce because of big demand.
